

Fun & Fellowship

There will be plenty of time for relaxing and getting to know one another through fellowship, singing, hiking, playing games, etc.

Book Exchange

Bring some of your gently used books with you and take home something different. All genres welcomed whether they are theology, fiction, history, practical, cookbooks, children's books, etc. The more variety you bring, the more everyone will have to choose from. And if you don't have your own library yet, you can still take home some books, just bring a few dollars to purchase them for \$1 each. *(We do ask you to take back home with you any of your books that didn't get adopted during the weekend)*

Craft Time

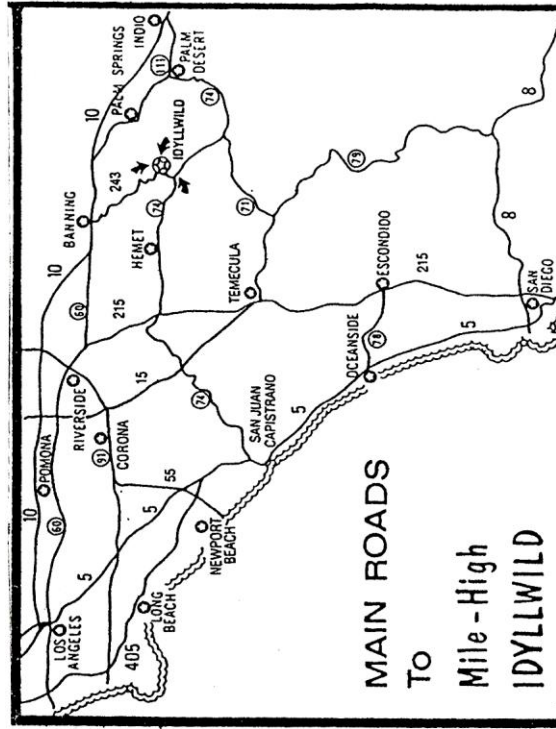

We will be doing an embroidery craft this year. Hoops, needles, thread, and material will all be provided at a cost of \$5. We look forward to learning this skill with you.

Talent Night

Talent night is on Saturday evening. Start planning a skit or some special music now! Please consider, "whatever, you do, whether in word or deed, do it all in the name of the Lord Jesus." Col 3:17

Sunday Morning Worship

Pastor Dave Crum will be leading the Sunday morning worship service for us. Retreat will end with lunch at 12:30 before we head down the mountain.

Valerie Elliot Shepard

Born February 27th, 1955 in Shell Mera, Ecuador, Valerie was the only daughter of missionary parents, Elisabeth and Jim Elliot. They were missionaries to the Quichua Indians of the Amazon jungle. In 1956, while attempting to reach the

Waadani Indians (a primitive and savage stone age tribe) with 4 other missionaries, Jim was speared to death in January of 1956. Elisabeth and Valerie continued to live with the Quichuas until miraculously they were invited to live with the Waodani tribe that had killed Jim. They lived with these Indians for 2 years in safety and contentment, as Elisabeth and another missionary, Rachel Saint learned to speak the language and translated the story of Jesus to them.

Valerie attended and graduated from Wheaton College in 1976 with a BA in English Literature. She married Walter Shepard shortly after that and moved to live with him in Louisiana. Walter grew up in the Democratic Republic of the Congo with his missionary parents.

She has spent 41 years being a pastor's wife, raising 8 children, homeschooling, and teaching Bible studies. Valerie and Walter's ministry has been one of hospitality, leading prayer meetings, and learning to live in God's grace with joy.
